volume VIII 1975

there's a world you're living in

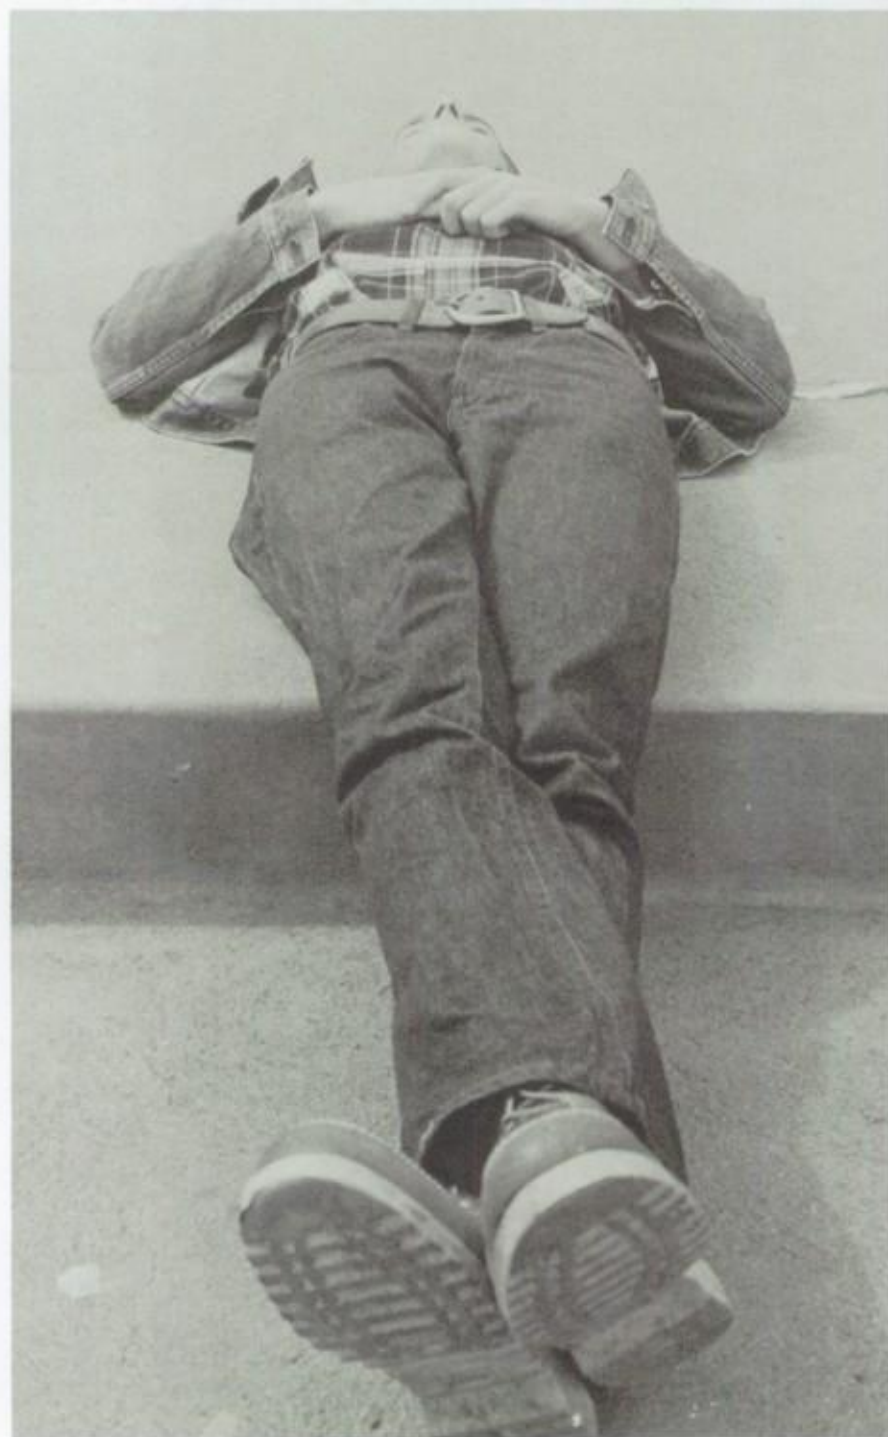

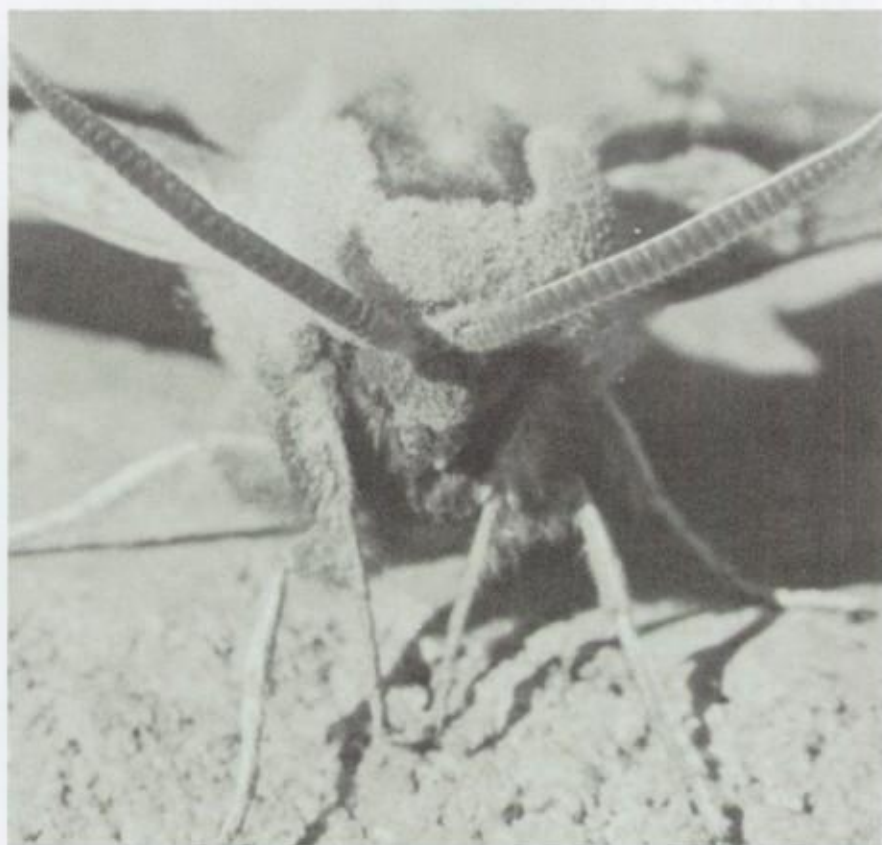

no one else has your part

all god's children in the wind

take it in and blow hard

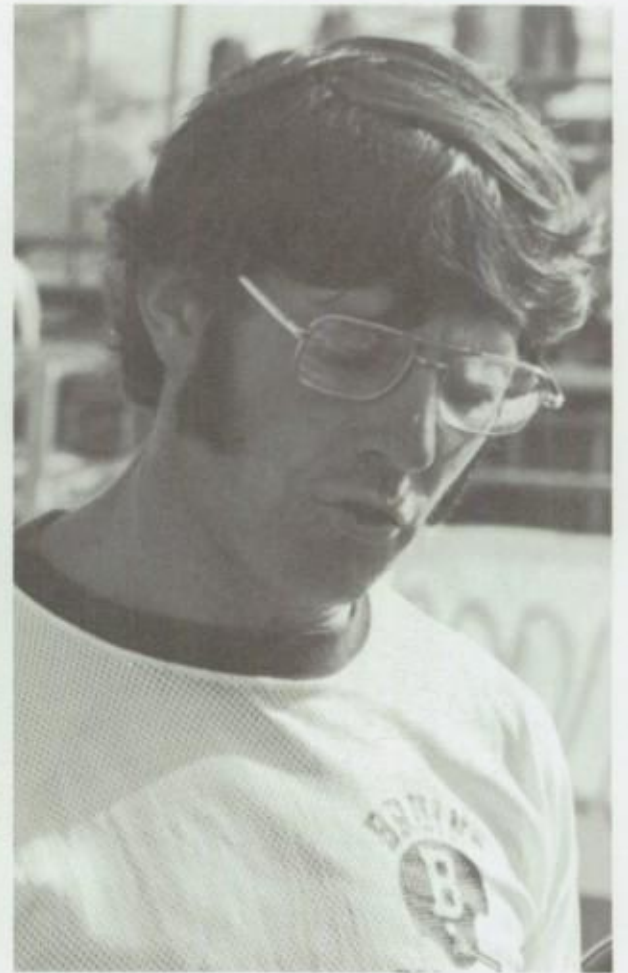

look around you - has it found you
walking
down the
avenue?

see what it brings - could be good things in the air for you.

we are leaving. we are gone

come with us to all alone.

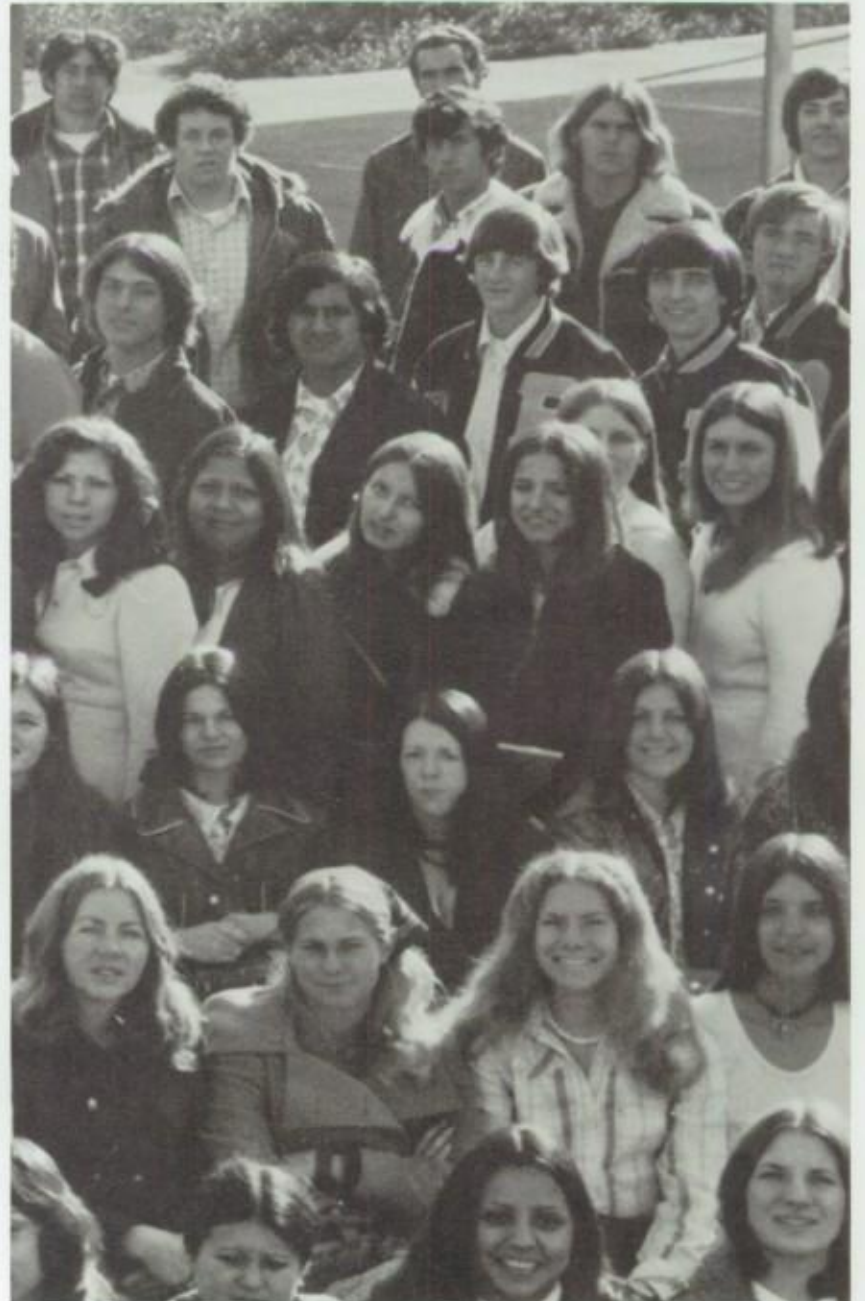

never worry. never moan

we will leave you all alone.

in the mountains, in the cities, you
can see the dream.

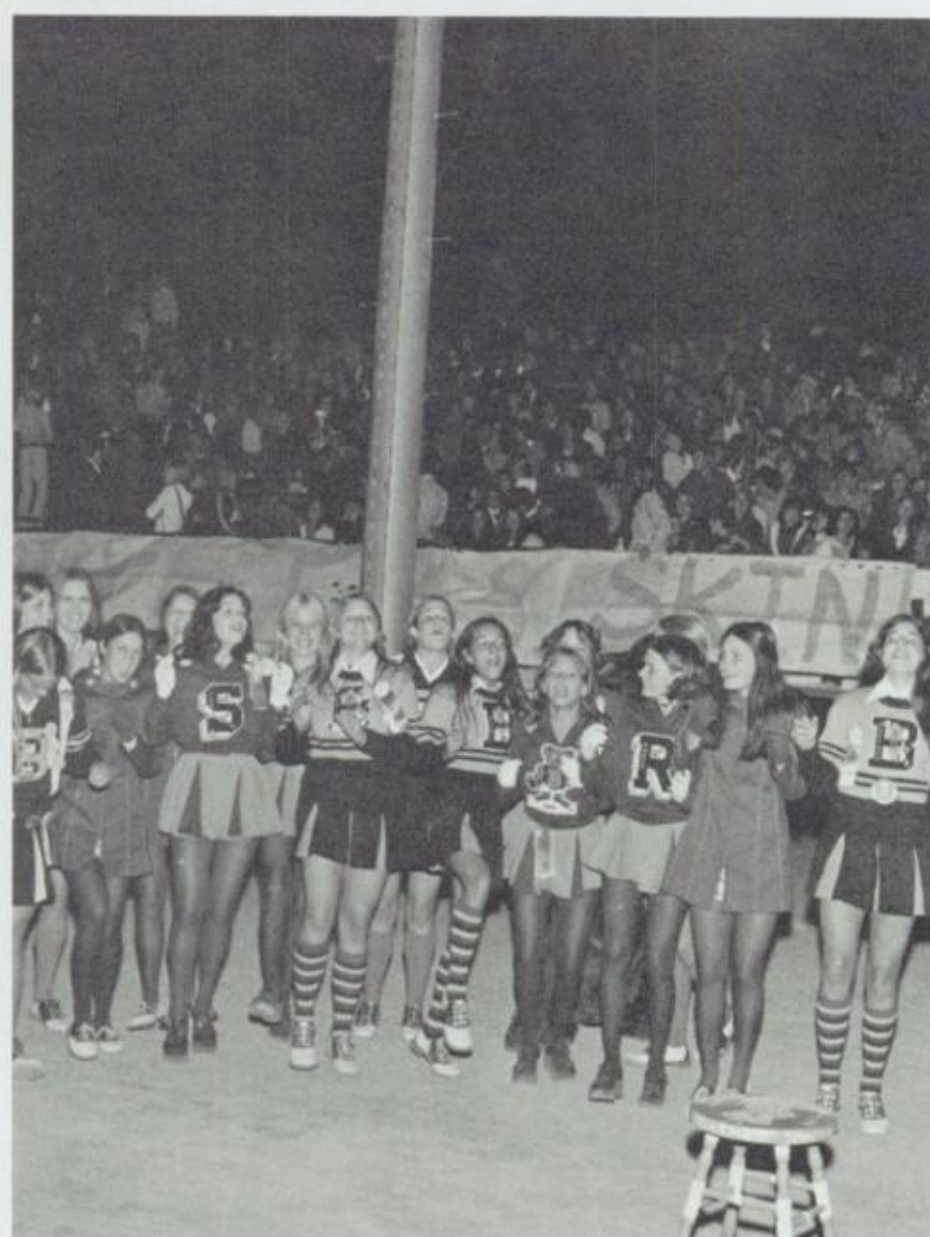

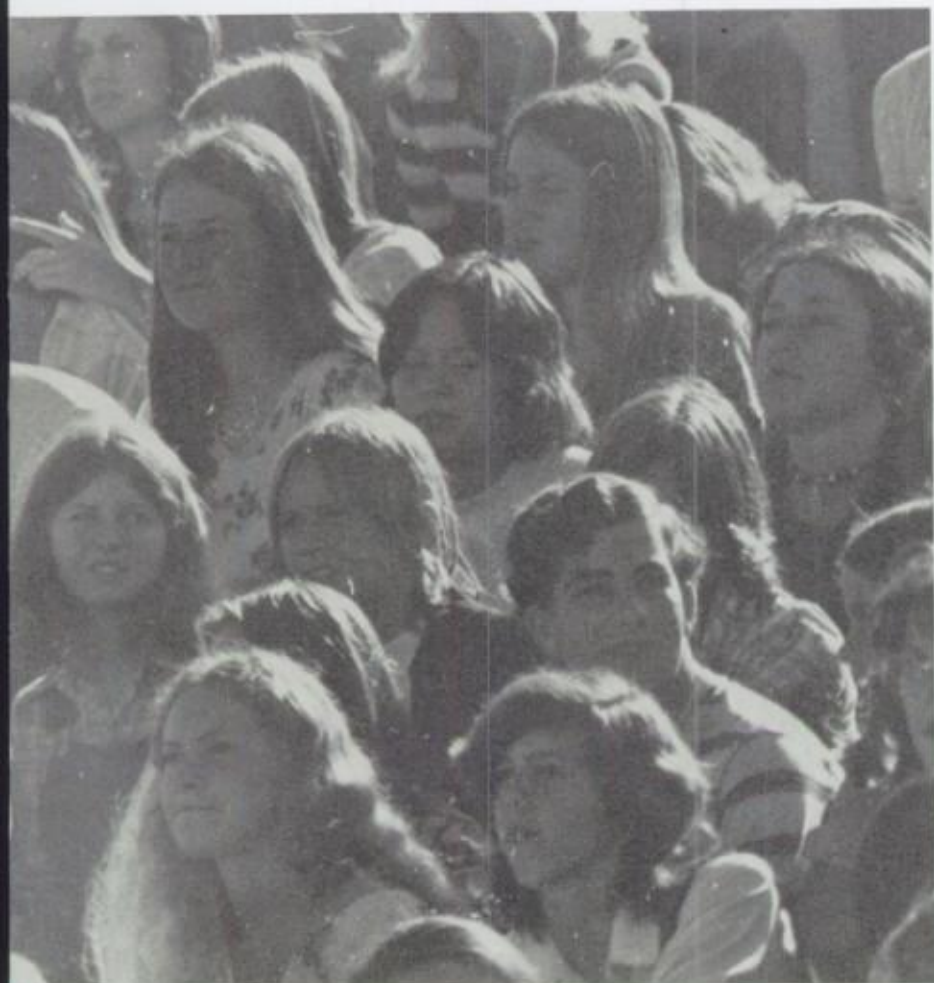

look around you. has it found you?
is it what it seems?

there's a world you're living in

no one else has your part

all god's children in the wind

take it in and blow hard.

(neil young)

dedication

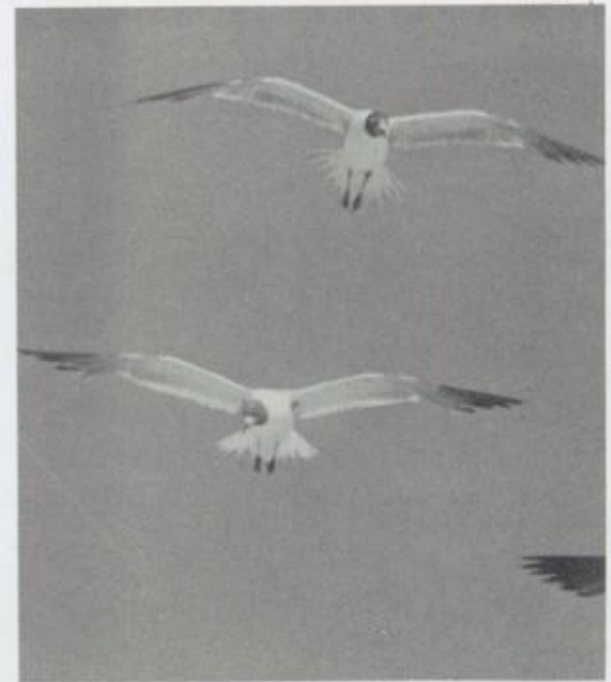

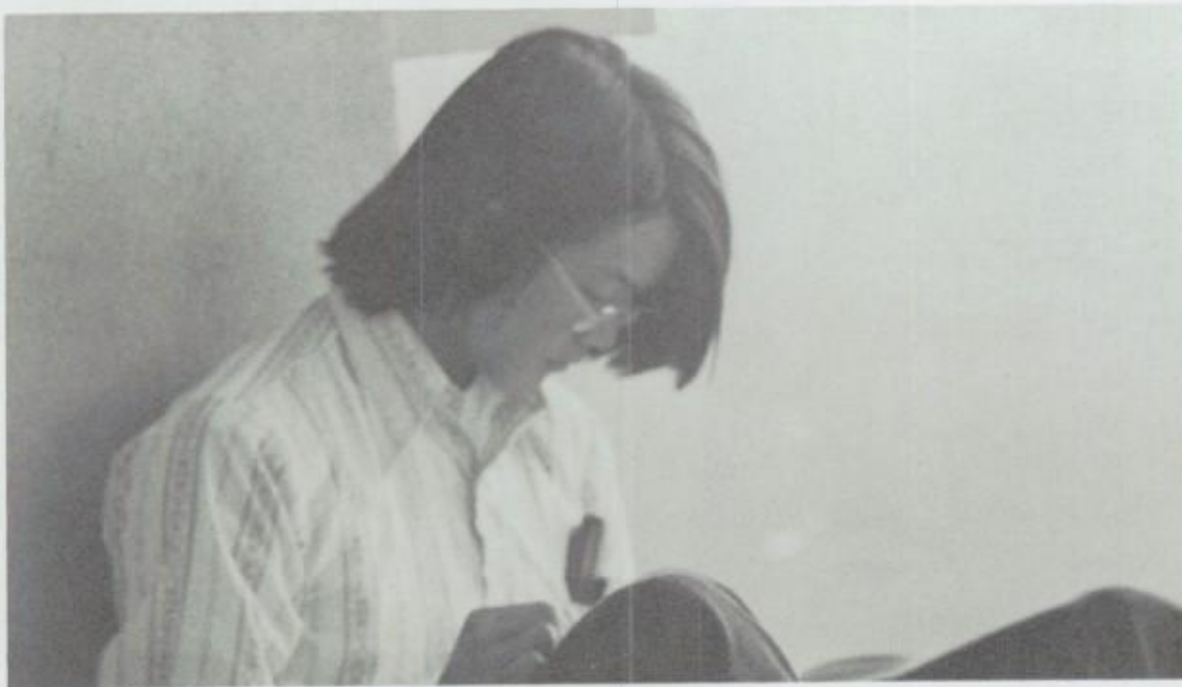

we would like to dedicate this year's book to the senior class. the students have grown into a very unique group of people. talented, funny, sincere and very surprising. each with their own special personality, thoughts and feelings. it's to all of you individuals that the book is dedicated to.

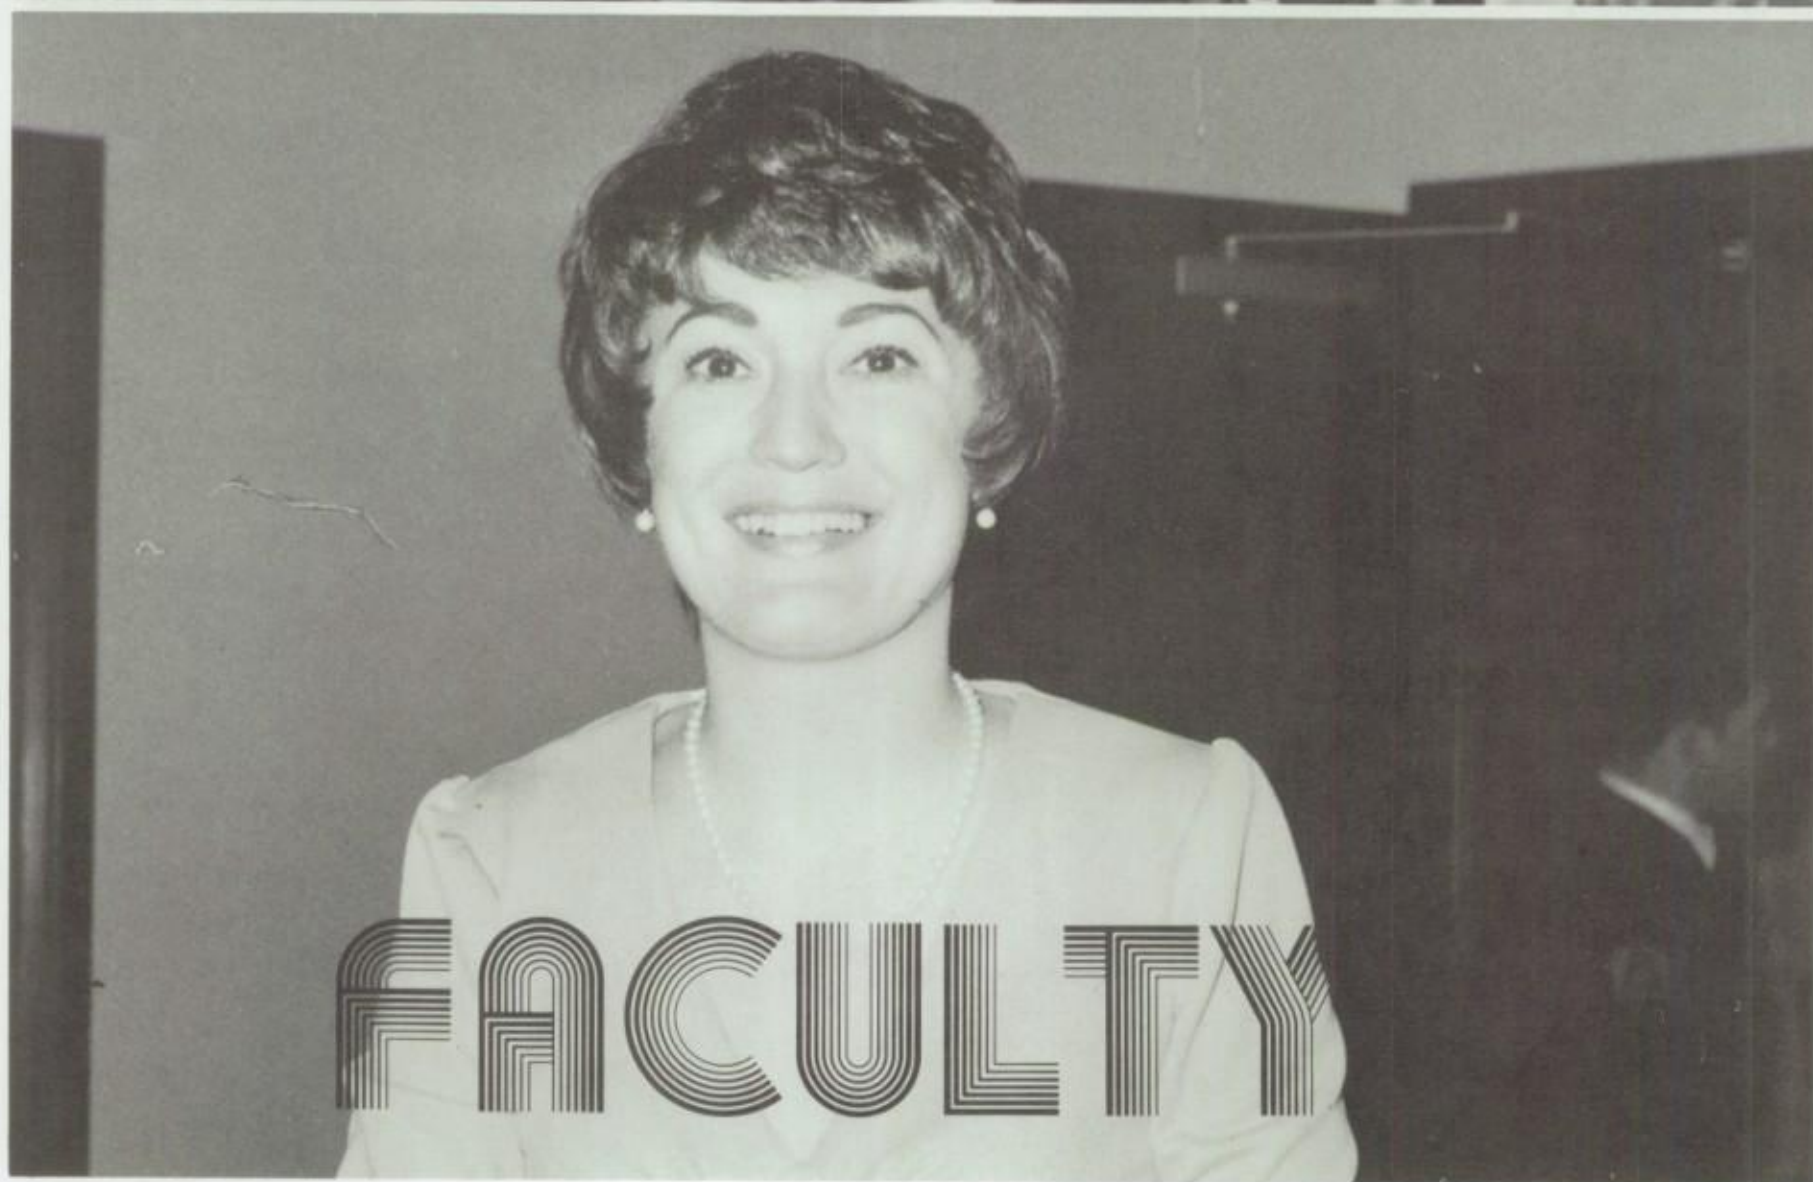

senior of the year.

senior class '75

dedication

senior class '75

senior class officers

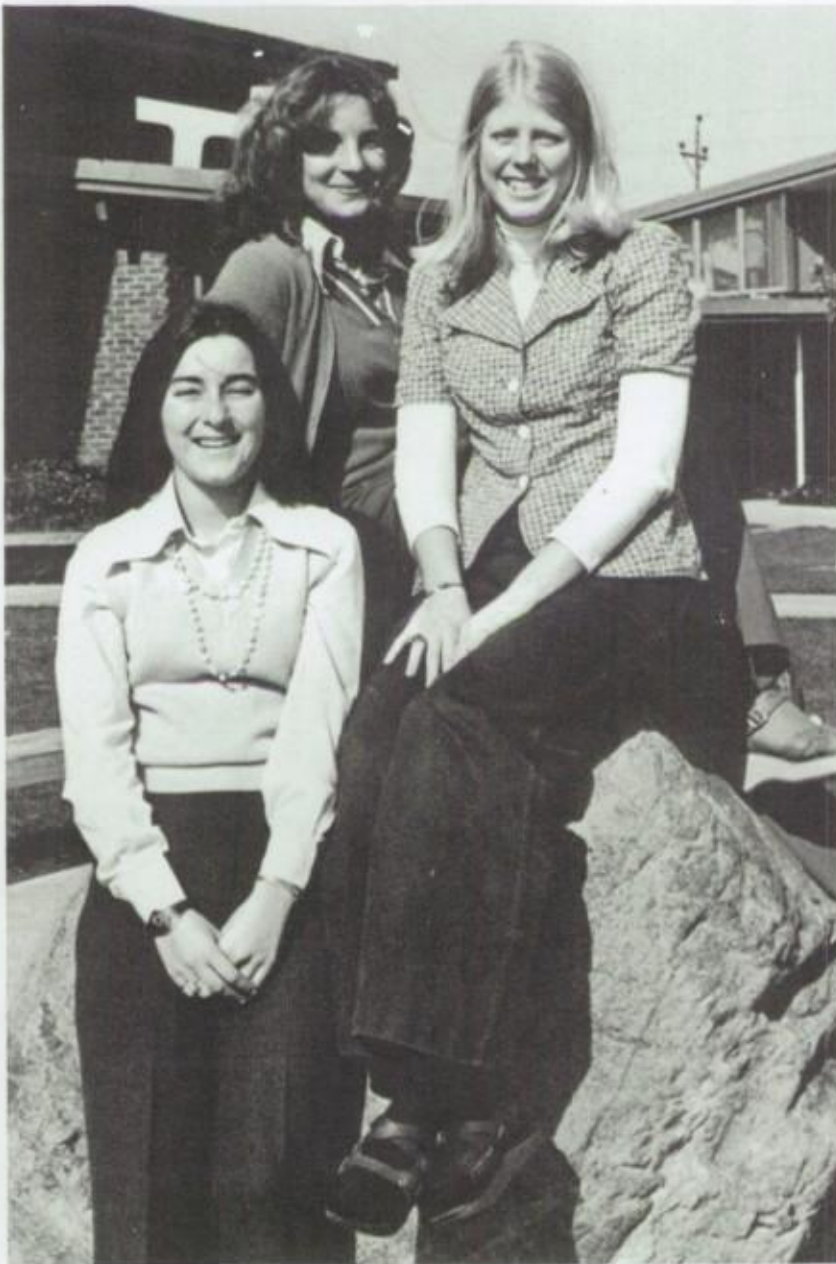

we are the senior class. we have lived together and grown together for four years. we will never forget our first days here, or our last. we have something no other class has, a care for life. we want to be remembered for what we are, the people of the class of '75.

four years ago ... we have to take swimming ... only 5 minutes between classes ... we made it through the first year ... we're sophomores ... what ever happened to captian sophomore? only 2 more years to go ... shakey's pizza and coke for the junior pizza party ... our last year ... senior breakfast was a flop ... hoorah for our varsity football team "we are number one!" ... senior ball at the royal coach inn ... sneak day or is it beach day ... graduation and then ... "we have only just begun" our class of '75 ...

1975 senior breakfast

copper wheel november 15, 1974

on november 15, 1974 many of the seniors, rookie raced over to the copper wheel. astounding all, some of the gals arrived in their night time attire (including curlers). many seniors were served an undscribable breakfast of high nutrition. no doubt this breakfast will be a memorable event for the senior class of 1975.

senior ball 1974-75

i personally would like to congratulate the players on the football team for winning the first varsity championship for branham high school. we shared an experience seldom enjoyed by athletes and coaches, an experience that established and enforced many positive values that will influence all of us, an experience that we will never forget.

i would also like to express my appreciation to the spirit commission and the student body for their enthusiastic support of the football program.

i feel very fortunate to be at branham high school in 1974 and be part of this football team and their championship.

sad night for bruins

ooof!

the 1974 football squad showed a great deal of promise while achieving a winning season. a dedicated group of young men willing to work and very coachable should prove to be a good varsity team in the next few years.

individual standouts were: bill tantillo the q.b., he passed for 1,108 yards and 7 touchdowns while running for 9 touchdowns; tom tantillo who caught 23 passes for 499 yards and 2 touchdowns; greg davis who caught 19 passes and had 2 touchdowns; joe courier who rushed for 495 yards and 3 touchdowns; and outstanding defensive players scott hoebling, rick tarter, russ dyer, and numerous others.

the 1974 jv football squad promises a bright future for bruin football.

this years team set a new win-loss record of 10-4 for the season. with a league record of 7-2, the team was able to take third place in a closely contested fight for the crown. outstanding shooting was the characteristic of the bruin c's with all the starters capable of breaking open a game. duke triplett received the most valuable player award.

statistics

this year's "d" basketball team made a gallant effort to have a winning season but lack of height made it extremely difficult. they came close many times but managed to win only two league games. the team was as talented as most teams but rebounding was the missing factor.

this year the most valuable player was wes tsutsui, one of the best ball handlers and defensive players in the league. even though the team did not have a winning record, it was a fun season, therefore a very successful season.

varsity basketball

branham's basketball team, which placed third in the league and went to the finals of the shaunessey playoffs, posted a commendable 17-10 season marit, second highest win total in the school's history. making the record all the more impressive is the fact that the team had only one senior, guard kieth weltz, to complement ten juniors. in the words of coach john erceg: "despite the lack of experience, the team never quit and just kept improving with every game.

individually, the bruins were paced by kevin smith, earl williams, and keith weltz. smith was the bruins' most valuable player and led the team in scoring and rebounding and like team captain weltz, was named to the all-league's second team. williams, second in team scoring and rebounding was the bruins' first team all-league representative.

this season was spiced with a number of highs and lows. after a slow start and an unimpressive practice season our team was beginning to round into form when we lost one player through ineligibility and another who was moved up to the varsity team. just when it appeared the remainder of the season would be a disaster some very rewarding things happened—the team pulled together as a unit and some new leaders emerged, producing a 4th place finish. the team was led in scoring and assists by jeff riggs with scott thomas, clair buchanan, and darryl green contributing the rebounding and scoring support.

this years branham high school wrestling team was composed of 5 seniors, 2 juniors, 5 sophomores and 1 freshman. with the general lack of varsity competition it was felt that a 50-50 season would be successful. however through hardwork and dedication to the sport the varsity wrestling team ended up with a 6-3 record and a 3rd place finish in the league.

soccer

varsity

the branham varsity soccer team experienced a frustrating season by not being able to connect fine offensive drives into scores.

the pre league season shaped up even in the win, loss record but left the team without the services of its fine forward steve kent. the loss of several key players made for an injury narrow season.

the league record showed a poor 3 and 6 record with all but two losses close, tight, 1 goal margin games. the defense of the team held the top teams of the league to low scores due to fine performances of duke triplett and jim hakala. the team lacked the scoring punch to come out as a league leader.

the 1974-75 junior varsity soccer team didn't have one of its best seasons, finishing with a 1-7-1 record. since we had a large squad, many players got the experience needed to have a good season as j.v. or varsity players next year. team captains tom pariani and tom salinas and all league players gil lesena and kyle algnere were standouts over the whole season.
